**MONTANA STATE EMPLOYMENT SERVICE**
of the EMPLOYMENT SECURITY DIVISION

**HELENA, MONTANA**
**Phone 449-3620**

April 10, 1974 Number 1

STATE SUMMARY: Main activities are feeding, calving, lambing, potato sorting and shipping, soil preparation, and machinery repair. Weather has been cool and damp. Labor demand is running ahead of supply in most areas.

WESTERN

ANACONDA: Main activities are livestock feeding, calving, general farm repair, and some loading of wool. Labor supply meeting demand. Weather has been cool and wet.

BUTTE: Feeding cattle and calving in full swing. Have calls for farm and ranch hands with tractor experience. Opening for married and single ranch hands also ranch cooks, salary $300/MO+B&R to $600/ for married couple with experience. Demand for single ranch cook at this time. Weather has been seasonal, windy and snow flurries.

DILLON: Weather has been cold and windy with frequent rain and snow showers. Main activities feeding, calving, lambing, soil preparation and irrigating. Short 3 ranch couples $375-$400/MO+ housing and utilities; 10 ranch hands $250-$300/MO+B&R; 1 single ranch cook $250/MO+B&R.

HAMILTON: Main ag activities are supplemental feeding, calving, lambing,and sorting and shipping of seed potatoes. Demand for workers has been slow as a surplus of workers is available throughout the valley. Virtually all logging activities are down now due to spring break up. Weather has been seasonal with all indications for an adequate water supply for this summer.

HELENA: Weather sunny and mild. Main activities feeding, calving, lambing and soil preparation. Labor supply not meeting demand. Need one sheep herder, 3 tractor hands, one drop lamber, two calvers, two flood irrigators, one dairy hand with artificial insemination experience.

KALISPELL: Main activities are grading and sorting potatoes. Wages $2.00-$2.25/HR. Wet, cold weather is delaying field work. Surplus of labor in most categories.

MISSOULA: Weather in five valleys area has been snowy and rainy. Most work is readying machinery and livestock care. We have need for one ranch couple $400/MO. Openings for single workers are one commuter job at $1.80/HR and one single ranch hand at $275/MO+B&R.

POLSON: Presently better than half done with potato sorting and shipping. Calving other major activity. Have had good demand for single and married ranch workers, supply and demand in balance at present time. Logging activity down due to spring break up.

SOUTH CENTRAL

BILLINGS: Have numberous farm and ranch jobs for both single and married. The jobs for singles run from $350/MO+B&R and up. Married openings run from about $400/MO+B&R and up. The spring plowing and seeding has started and we have many more openings than laborers.

BOZEMAN: Agricultural activities include calving, feeding, and preparation for spring field work. Some field work has started, but is hindered by rain and snow showers. Openings exists for: 3 single ranch hands, experienced in irrigating and operating equipment $325-$375/MO. 2 married ranch hands - one capable of assuming foreman duties and one experienced in caring for and showing livestock; $500/Mo to start. 3 sawmill workers including 1 foreman position $3.25-$4.15/HR to start. 1 logging equipment mechanic starting at $3.75/HR. 2 ranch cooks at $200-$425+B&R. Openings for waitresses and kitchen helpers in the Gallatin Canyon-$1.65/HR.

LEWISTOWN: Short 15 single ranch hands $250-$300/MO+B&R. 2 married couples $350 and up + house and some fringe benefits. Weather warm. All activities in full swing.
LIVINGSTON: Ag activity includes calving, feeding, ditch cleaning and general ranch work. Weather has been ideal for all types of ranch work. Short 2 married couples for permanent jobs at $400 and up DOE plus housing. 1 ranch cook, cooking for up to 8 men $250-$275/MO plus private living quarters and 6 single fully experienced ranch hands for general ranch work $300 and up+B&R.

NORTH CENTRAL
CUT BANK: Main activities are spring planting and machinery repair. Short 10 experienced tractor operators at $14-$18/DAY+B&R.
GLASGOW: Activities are calving and preparation for spring field work. Fields are wet and soil preparation and seeding is not expected to start for another week. Openings are being filled with local and transient workers-supply meeting demand. Wages $350-$400/MO+B&R.
GREAT FALLS: Farming in the Triangle Area is getting a good start this week. We have a current shortage of about 15 tractor operators at $18-$20/DAY+B&R. Also some commuter work at$2.00-$250/HR. Have heavy demand for general ranch work and calvers, feeders and lambers at $300-$400/MO+B&R.
HAVRE: Weather has been mild with some snow and rain. Main activities are calving, machine repair and soil preparation. Short one farm couple at $400/MO+house. Short 2 singles at $12-$18/DAY+B&R.
SHELBY: Weather warm and dry. Call for single hands for seeding and summerfallowing. Short 4 men at $400/MO+B&R or $15-$18/DAY+B&R.
WOLF POINT: Supply of farm labor generally adequate at this time but shortages should develop by April 20. Openings currently available are for a ranch cook and a person with experience in feed lot operations.

EASTERN
GLENDIVE: Main ag activity at this time is livestock care and feeding, with some field work starting in the southern part of our area. Demands are moving ahead of supply, most demands are for all around experienced people. Short 3 farm and ranch couples, $350-$400/MO+housing, and 4 farm & ranch singles, $250-$350/MO+B&R.
MILES CITY: Major activities, plowing, calving, general farm and ranch work. Weather mild. This area could use some moisture. Short two married couples-$400/MO+extras. Short 3 single hands-$300/MO+B&R.
SIDNEY: Wet weather conditions have prohibited any work in the fields at present. Calving and lambing well under way. Short single and married farm workers, $300-$500/MO.
